TOR SALE — THOUGHTFUL PERSONS IN
buying a home will take into account the surroundings and probabilities of enhancement of
value; convenience to good improvements is a
leading consideration; also rapid transit to and
from the business part of the city; the quality of
the houses in the neighborhood goes for a good
deal; as to build or buy a handsome stone or brick
residence and have inferior houses go up afterward on adjoining lots detracts from the value of
the first; to buy on a neatly paved street, with
sewers, gas and water already laid, is important;
one then knows what the whole cost is, and has
not to worry about the cost of future grading and
paving. All these items and many more are covered at the handsome new dwellings on Oakland
Square (formerly Linden Grove), which need only
be seen to be appreciated. The price is \$6,500 and
and \$6,700, payable on easy terms, for elegant,
thoroughly well built and commodious houses,
standing apart, on lots 30x100, and litted with all
the modern conveniences. All the houses front
on asphaltum streets, and upon a handsome park
planted with shade trees; old forest trees plentifully shade the neighborhood. The cable cars are
now but six minutes' distant, and will be brought
still nearer. These houses are rapidly selling, being pronounced bargains at present prices. Apply to SAMUEL W. BLACK & CO., No. 99 Fourth
